

— THE BIGGEST GOOGLE TECH CONFERENCE IN CEE —

GDG DevFest Croatia 2018

PARTNERSHIP PROPOSITION

devfesthr.com

Conference at Scale

GDG DevFests are large, community-run Google developer events happening simultaneously around the globe. GDG Zagreb and WTM Croatia are excited to announce that **this year we are organizing the very first GDG DevFest in Croatia.**

Topics

GDG DevFest Croatia will cover ALL tech topics and sessions that emphasize a positive outlook on the IT scene in Croatia. We also want you to connect to each other and to the public via Show-And-Tell and Job-Speed-Dating!

Attendees

Since we really love learning and want to make a positive impact on the IT community we have given students super low prices and invited **best tech companies** to show off their work and **connect to each other and to their potential employees!**

— WHAT TO EXPECT —

ROCKSTAR Speaker

Martin worked on the very first team that invented Google Search engine! And he's coming to DevFest Croatia to teach you how to make software that is easy to optimise for search engines!

Show - and - tell

Show off your projects, tell your story, see what others are working on - CONNECT!
Lobby full of companies and startups showing off their work in awesome HUB385!

IT Quiz

Compete, eat, drink, have fun and win awesome prizes!
Prove that you have the best team in Zagreb!

Job - speed - dating

You get 4–5 minutes with each student and then move on. It aims for both companies and developers to see what's out there.

— JOIN DEVFEST CROATIA AS A PARTNER

Being a sponsor of the DevFest Croatia gives you the opportunity to present your company in the professional and innovative environment of Google-enthusiastic developers, entrepreneurs, and decision makers
